

Objectives

1. To assess and review the progress towards and achievement of Mission Partnership's stated mission, objectives, strategy and priorities
<https://missionpartnership.org.uk/vision/>
2. Where possible, to identify existing hindrances or blockages to making progress on the elements identified in 1. above
3. In the light of the likely changed funding position, to identify options for the future delivery of the mission objectives, strategy and priorities and make recommendations as to how they could be delivered.
4. To consider the implications of potential reduced resources on achievement of the outcomes and the potential impact on Christian witness in Milton Keynes.
